	Preferred Method:

I acknowledge that Roof Monitor and/or Dealers or other authorized representative or subcontractor of Roof Monitor may call at any hour of the day or night when a sensor reaches a new alert level based on the setup in this Alert Protocol. Roof Monitor will only provide notice or contact me for Load changes which trigger a new alert level, low battery alerts, unusual sensor readings, or when contacting/dispatching Dealers or other authorized representative or subcontractor of Roof Monitor to the Facility per this Alert Protocol setup. There is no guarantee a contact will in fact be reached or that action will be taken by the contact to address/fix the issue. This form must be typed and completed in PDF format and only the signature may be handwritten. Submit completed form by email to [change@roofmonitor.com](mailto:change@roofmonitor.com) or by clicking the SUBMIT button on this form.
